

Getting from Henri Coandă International Airport (OTP) to JW Marriott Bucharest Grand Hotel

Distance: ~20 km

Travel time: 30–60 minutes depending on traffic

🚗 Rideshare (Recommended)

Uber, Bolt

Pick up from the designated ride-hailing area outside Arrivals.

Upfront pricing in the app.

Comfortable and reliable.

Cost: ~€10–18

Time: ~30–45 minutes

This is the easiest and most predictable option for most visitors.

🚕 Taxi (Metered)

Use the official taxi ordering machines inside Arrivals.

Avoid drivers offering rides outside the terminal.

After receiving the printed order from the machine walk outside the terminal building and wait for your taxi to come from the ramp on the left side (on the printed paper you will have the plate number of the taxi).

Cost: ~€9–14

Time: ~30–45 minutes

Train + Short Ride

Take the airport train to Gara de Nord (~20–25 min, runs every ~40 min).

From there, take a short taxi or rideshare to the hotel (~10–15 min).

Cost: Very low (train ticket + short ride)

Time: ~40–60 minutes

Good budget option.

Bus + Short Ride

Take the Express Line 100 to City Centre (Piata Unirii)

From there, take a short taxi or rideshare to the hotel (~10 min).

Cost: Very low (buss ticket + short ride)

Time: ~40–60 minutes

Good budget option.

There are other apps that offer a more comfortable option (better cars), Black Cab or Blue, they are slightly more expensive (€20-25) than Uber or Bolt, you have to install the app.

If in doubt, we recommend rideshare for simplicity and comfort.
