## ABOUT ME

Chairman of the Finance Committee of IFATCA for 6 years. As a servant leader, I organize and help the finance committee accomplish its tasks. I also help the EVP Finance in many ways to meet the federation's financial obligations.

I was on the Constitution and Administration Committee (CAC) and the Finance Committee (FIC) at the same time for 4 years.

Air traffic controller for more than 20 years and have worked in the following areas: En-route surveillance and procedural control, Approach surveillance and procedural control at Kotoka International Airport. On-the-job instructor (OJTI) for 6 years.

I have served as the project leader for several projects for my employer, (Ghana Civil Aviation Authority). My current projects include establishing a UTM office to manage the growing number of RPAS operations in the Accra Flight Information Region (FIR) and designing, developing, and implementing a digital On-the-Job Training (OJT) program for ATCOs for my employer.

Committee Member Ghana National Remotely Piloted Aerial System (RPAS)

I was president of my home association, the Ghana Air Traffic Controllers Association (GHATCA) for four (4) years. Previously, I served in the capacity of Deputy President of the association for 4 years.
