

Regional Executive Vice-Presidential Election - Europe

Presented by CAC

SUMMARY

Report on Conduct of
Regional Executive Vice-Presidential Europe
Election at Regional Meeting

1. INTRODUCTION

- 1.1. Directors voted, in Jamaica at Annual Conference 2024, to amend election processes for Regional Executive Vice President (REVP) positions such that elections are conducted at the respective Regional Meetings. Agenda Items A.6.2.8 WP34/24 (changes to IFATCA Administrative Manual (IAM) to facilitate Regional Elections) and A.6.2.9 WP 35/24 (consequent changes to IAM regarding timings of elections) were discussed, and the recommendations were carried.

For voting in [on]^{sic} Regional Executive Vice-President positions, ballot papers shall only be issued to Directors from Member Associations belonging to the Region concerned at the respective Regional Meeting. The result of these elections will be referred to final Plenary at the following Annual Conference for information. It shall not be subject to ratification by other than the regional Member Associations eligible to vote. (Montego Bay 23.A.14)

- 1.2. The first of these elections have been conducted and this paper is a report of the outcomes.

2. DISCUSSION

- 2.1. The 2023 Regional Meeting (RM), at Riga, conducted an election for the EVP Europe as this position falls vacant at Annual Conference 2024.
- 2.2. A quorum was established.
- 2.3. There was only one candidate nominated for Regional Executive Vice-President Europe and in accordance with the provisions of the IAM, a ballot was not conducted.

3. CONCLUSION

- 3.1. The incumbent, Frédéric Deleau has been validly elected unopposed.
- 3.2. Congratulations Fred!
- 3.3. This recommendation will be included in the Committee A report and is not subject to ratification in Final Plenary of Annual Conference 2024.

4. RECOMMENDATIONS

- 4.1. That this paper be accepted as information only.
